

Wichita Area Sexual Assault Center

Financial Safety Program: For Sexual Violence Survivors & Their Loved Ones

Overview: This is a one-time only class geared for survivors of sexual violence, their parents, families or other supportive people in their life. Learning objectives will include:

- Participants will be able to define sexual violence and discuss financial abuse or economic hardship as it applies to those impacted by sexual violence.
- Participants will learn about fiscal empowerment, how to create a personal budget, credit building and repair and how to safety plan for various banking and monetary issues.
- Participants will also learn about resources available to them in the community and through WASAC to assist them with financial issues while dealing with sexual abuse.

Certificates of attendance will be issued at the end of the class. This class is **FREE** and **CONFIDENTIAL**.
